Gear to be used: Dip Net X _____

***Dipnet** means a device consisting of a rigid frame filled with netting, firmly attached to a rigid handle and manually operated by a single person.

THIS PERMIT IS SUBJECT TO THE FOLLOWING CONDITIONS:

1. Species not covered by this permit shall be released immediately upon tending of gear.
2. You should receive permission from appropriate landowner (s) prior to dipping suckers.
3. There is a 48 hour closed period for the taking on alewives from midnight each Friday until midnight the following Sunday.
4. It is unlawful to fish within 150 feet of the fish pump located on the north bank of the Sebasticook River whether the pump is actually running at the time or not.
5. This permit will be carried at all times by the Permittee when engaged in activities authorized herein and shall be presented to any uniformed law enforcement officer upon request.
6. This permit expires on June 30.
